EVIDENTIAL MEDIUM & ASTROLOGIST

## Kim's Bio:

Kim Coots is an evidential medium, astrologist and energy healing practitioner.

Although she's been an Inc. 500 award-winning leader succeeding in the business world for over twenty-five years, Spirit had a different calling for her. Kim's spiritual gift awakened in 2004 when she received her first visit from her grandfather on the Other Side.

Personal tragedy changed the trajectory of Kim's life and career when her only child, Keira, died unexpectedly from an accidental drug overdose. Kim became passionate about serving as a professional evidential medium to share her gifts of mediumship and bring loving messages of hope and healing to others.

Kim completed all three levels of Debra Silverman's highly-acclaimed School of Astrology and is a professional Astrologist. She also studied with Dr. Alberto Villoldo and completed his world-renowned Energy Medicine program.

Kim provides evidential mediumship readings, astrology readings, and energy healing sessions to people who desire to connect with their loved ones on the Other Side; and find hope, healing, and purpose after experiencing the death of a loved one.
